#### **QUALITY SUSTAINANCE w.r.t TEACHING PEDAGOGY**

The Institute has a well-qualified, dedicated and experienced faculty. The most contemporary teaching methodologies at MSI provide ample opportunities for students to develop into all-round professionals by keeping abreast of the ever-changing technologies. The Institute aims to achieve and excel the high standards set by premier technical institutions of the country. The

traditional classroom teaching is supplemented by regular tests, tutorials, group discussions, extensive lab work, projects, seminars and industrial exposure through industry visits and summer training. While teaching engineering fundamentals and keeping pace with the evolving definitions and concepts, a sincere effort is also made to cover the latest innovations in each subject area. The classroom atmosphere is synergetic with interactive and participative sessions. This makes learning proactive and the students learn a sense of team spirit, responsibility and professional integrity. It helps build a healthy student-faculty bond, which develops students to their fullest potential and harnesses the best in the teachers.

### **Highlights: Teaching-Learning**

MSI has shifted its off-line teaching to an online platform due to COVID 19 pandemic. The faculty members use the following forum for delivering lectures, giving assignments, conducting quizzes, webinars, etc.

1. Google Classroom was used to post the relevant study material and also the assignments to the students regularly using the same app.
2. We made our-self available to the students either using Google Classroom or Microsoft Teams App/ Google meet at a designated time.
3. We recorded the lectures and posted them using the You-Tube channel or saved them on our Google Drive and share the link to the students. The link was shared using Whats App or Google Classroom.

4. We have now purchased Microsoft Teams App for online teaching and started delivering lectures in this session using this app.

5. For smoothly conducting online classes, **MSI purchased the following digital equipment's: Webcams, Wi-Fi Routers, WACOM-Digital Pen Tablet, Head Phones, Speakers.**

This list is not exhaustive and other effective tools were also used to involve the students in meaningful manner.
