## International Women's Day Celebrations - 2017

**Date: 8th March, 2017**

International Women's day,8th March is celebrated with a spirit to empower the women's of the college as well as society. The guest was welcomed by Dr. Harish with a brief overview of historic struggle of women's fight for their rights over the world. Followed by this the a small token of gratitude in form of flower pots was given to the self defence personnel Ms. Shashi , Ms. Kavita and Ms. Sushila by the Dr. Rajesh Kumar Tyagi, Director, MSI; Dr. Monica Tushir and Dr. Anviti Rawat on behalf of Maharaja Surajmal Institute.

On the occasion of International Women's Day, an informative and eventful workshop was conducted. This event provided an opportunity to recognize the monumental contributions of females to our society. Keeping in my mind the safety of women, many defence mechanism techniques, which women can use when required were demonstrated by the Special Police Unit for Women and Children (SPUWAC) self defence personnel. They conducted the workshop to spread awareness regarding different moves which one can use while subjected to some uncomfortable situation from strangers, while travelling to college or workplace or any other place. The team demonstrated various punches, kicks, knock-out and moves we can use as the situation arises.

The Constitution of India guarantees equality of treatment, prohibition of discrimination on the basis of sex and equality of opportunities in matter of public appointments as Fundamental rights. Changes do not take place soon or easily, but if each one of us join hands in every possible way that we can and start to make little changes within the family from today, it would gradually get implemented and there would be a better society that respects and understands women. The workshop ended with a note of thanks by Dr. Promila Dabas with a message to join hands together to secure safe environment for women where she can lead her life with dignity.
