SURAJMAL MEMORIAL EDUCATION SOCIETY

Inspired by the life and ideals of Maharaja Surajmal, a great Indian patriot and enlightened ruler of Bharatpur during the eighteenth century, Surajmal Memorial Education Society was established in 1972 and registered under Societies Registration Act 1860. The main aim of the Society is to disseminate quality education in the technical and professional areas, especially those beneficial to the students from rural and hitherto educationally deprived regions of our country. The society seized the opportunity provided by Guru Gobind Singh Indraprastha University established in Delhi (in the year 1998) and got affiliated to it for the conduct of various programmes from the academic session 1999 – 2000.

MAHARAJA SURAJMAL INSTITUTE - AN INSTITUTE PAR EXCELLENCE

Maharaja Surajmal Institute (MSI), an organ of SMES, established in the year 1999 and affiliated to GGS Indraprastha University, Delhi, has been conceived, launched, promoted and managed by a galaxy of eminent academicians, philanthropists, professionals, and technocrats whose vision and mission has been the guiding force to provide quality and value-based professional education. MSI is a dynamic, trend-setting premier Institute that has acquired the status of 'Place of Pride' on the academic map because of its continuous efforts towards excellence. The Institute provides an environment conducive for academic and professional growth. The Institute aims, on one hand, to serve the national cause of creating a competent workforce and on the other hand in generating the capacity to find appropriate opportunities for self on the lines of national development. Sincere efforts made by dedicated, well qualified, and self-motivated faculty willing to stimulate students for intellectual development and continuous professional growth have resulted in excellent academics and achievements in cocurricular activities. MSI has been awarded Certificate of appreciation for Valuable & Exemplary contribution to education Community by New Normal Education Leadership Summit & Awards, 2021.

MESSAGE FROM THE PRESIDENT, SMES

Dear Prospective Parents,

When contemplating education, a quote often resonates with me: "The whole purpose of education is to turn mirrors into windows." Education constitutes the cornerstone of global advancement, serving as a catalyst for social upliftment, shaping the moral character of the students, and contributing to the nation's welfare by nurturing the luminous minds of tomorrow. At Maharaja Surajmal Institute, we have meticulously curated an efficient and holistic educational framework geared towards equipping students to emerge as proficient and effective contributors to the workforce.

Our institution's curriculum is meticulously tailored to enable students to acquire a diverse spectrum of competencies and apply them adeptly to real-world exigencies, thus propelling their career trajectories. The pedagogical methodologies, training, and assessment paradigms at Maharaja Surajmal Institute are attuned to contemporary patterns, ensuring that our educational ethos remains abreast of prevailing trends in technology and commerce.

At Maharaja Surajmal Institute, our vision is to empower students with a facility for creative and collaborative group dynamics within a global purview. It transcends the mere impartation of etiquette; it encompasses equipping them to be 'industry-ready,' poised to confront the vicissitudes of a dynamic corporate milieu, thereby bridging the chasm between academia and industry. This ethos has earned Maharaja Surajmal Institute notable accolades, including its position as a Top 10 college by the 'India Today's Best Colleges North India Survey 2023'. Our students have consistently distinguished themselves, securing 45 University Gold Medals in Academics to date.

In an era where everyone is consistently under apprehension about the relevance of academic pursuits, Maharaja Surajmal Institute provides the best mentorship, pedagogical milieu, and a lush green campus. I extend a heartfelt invitation to you, esteemed students, to grace our campus with your presence and bask in the uplifting ambiance that pervades Maharaja Surajmal Institute.

Wishing you unmitigated success in your forthcoming pursuits.

BEST PRACTISES

QUALITY MANAGEMENT :

The internal quality assurance cell (IQAC) is established to ensure progressive improvement in the efficiency of the institute functioning.

ICT ENABLED PEDAGOGY :

Institute has introduced effective ICT enabled learning management system like moodle. Google classrooms are created by all faculty members for facilitating teaching learning process. It is a virtual classroom that allows the teacher to create a virtual class and students to join the class by using their google email id's at msijanakpuri.com portal. It helps in providing study material, assignments, audio and video lectures, quiz and evaluating them virtually with flexibility and freedom to access.

OPPORTUNITY TO DISCOVER SELF POTENTIAL :

Students of MSI get unmatched exposure by attending and interacting with eminent academicians, legal luminaries, corporate leaders, policy makers and scientists, who come to attend numerous academic conferences, seminars and workshops organized round the year.

INDUSTRY INTERACTION :

MSI maintains a symbiotic relationship with the industry with a vision to enhance overall knowledge ecology and produce industry-ready professionals.

FEEDBACK SYSTEM :

Feedback is essential for improvement. In Maharaja Surajmal Institute, we consider feedback as a tailoring mechanism for the departmental activities. Whether it is course content, teaching, teaching methodology, laboratories or libraries, sports, hostel or mess, each aspect is strengthened based on the feedback obtained separately from various stakeholders. Feedback is

taken from Students, Parents and Alumni for the betterment of the institute and stakeholders.

PARENT CONTACT PROGRAMME :

The institute organizes the Parent –Teachers Meeting on regular basis to share the progress of the students with their parents. The institute maintains a regular contact with the parents to share the performance of their ward through SMS, E-mails etc. This regular interaction with the stakeholders helps in constantly improving the standards of the teaching –learning progress.

MENTORSHIP PROGRAMME :

With an objective to ensure all-round development of the students, MSI has implemented mentoring programme which looks after the academic as well as social and emotional development of the students. The "Mentorship Programme", in which a teacher is placed as a mentor of a small group of students, enhances the all-round development of the students by ensuring an appropriate classroom environment, broadening curriculum participation and strengthening the bond between the students and the teachers. Mentors provide emotional as well as academic support guidance, motivation and also help them in their career growth.

SOCIAL COMMITMENTS :

The institute conducts various workshops for the students regularly to promote the community network which contributes to developing them to be good citizens. The Institute with the help of various student groups organizes blood donation camps, daan utsav and tree plantation drives and helps the lower strata of the population.

STUDENTS' WELFARE COMMITTEES :

The Institute has well managed committees to ensure the safety, security and well-being of each student.

STUDENTS' SOCIETIES & CLUBS AT MSI

We at MSI believes that the overall growth of students is possible only when we give students a platform to express themselves in their areas of interest other than academic front. We have a number of societies actively run and managed by Student Coordinators and faculty members. The student clubs and societies provide the opportunity to explore their passion outside the regular studies and collaborate and learn to be part of a community that is bound together by shared interests.
